

NM Growers Cup Entry Guidelines

Welcome to the 6th Annual NM Growers Cup! We are excited to see all the amazing entries you wonderful growers have for us this year! We ask that all entries are individually packaged and have no labels except ingredients listed on Edibles and Topicals. Thank you for trusting us with your entries. We will take good care of them and ensure a fair and safe event for everyone. Please read and follow the rules for each category. Many thanks from the NM Growers Cup family!
